Dear Sir:

In response to the Office Action setting the schedule of payment of the Issue Fee, please note the following corrections for the record.

1. The title was amended and should appear on the printed patent in the form given above. The proper title is:

**AERODYNAMIC COMBINATION FOR IMPROVED  
BASE DRAG REDUCTION**

2. The Notice of Allowability set forth the Examiner's Statement of Reasons for Allowance in Paragraph number three. Examiner Patel welcomed any further statement by Applicant in paragraph number 4 and requested that such comments be entitled:
